CRCF News

Next CLUB Meeting – August 10, 7:00 pm at the field. If you have a building project, bring it with you for "Show and Tell".

Khoi will be there around 2pm and do some flying if you guys want to come out early.

Bill asked the paintball guy to show up and we will do some test shooting at Bill's drone before the meeting.

John Farkas will do another BBQ. He will bring hamburger meat, buns, fixings, chips and 2 six packs of a Cola (one regular and one diet). he will also take care of charcoal and lighter fluid.

Can someone bring paper plates and utensils? About how many people should I count on?

Rod Madison will bring chips and drinks. I Will try and be there early as well.

At the July 13th Meeting – Khoi spoke to Jack about the complaint issues that came from gun club Dennis. Jack stated that Dennis does not represent the gun club. Info about using the air space above the south end of runway

i.e. runway approach for the fun fly discussed.

Would like gun club to reciprocate that time for our fun fly as we did not fly during their event. Rod will get sign example for sponsor board. Brad will have our first sponsor I-5 Tire email their logo to Khoi to print out on decal sheet. Fun Fly august 21st 9:00a. We may possibly invite Eugene and South lane to join us.

Food sign up list to be created for Fun fly event. Bill will work on roof leaks. Khoi will order wind sock for the club house. Shade canopies needed for Fun Fly event.

Fun Fly - CRCF August 21 (Sunday) Fun Fly event to local clubs in the area. We will have a paint ball shooting at a drone as fundraiser. There will be prizes to win from paint ball event. We will also have raffle for prizes too.

There will be a \$10 landing fee for pilots.

There will be a free club BBQ of burgers and hotdogs for all pilots.

Meeting minutes are ONLINE at: <http://creswellrcflyers.org/news.php>

2011 Meeting dates

CRCF has reserved our meeting location at EWEB building for the SECOND WED of each month.

Aug 10 at field Sep 14 Oct 12 Nov ?? Dec 14

Field improvement update

Well has been drilled. In fact, there should be 3 holes drilled at 3' wide and about 12' deep. We have water at 7' below ground, hence the driller could not go deeper. Jack will work on getting a liner installed so well does not cave in by dirt. Jack needs help from us to move the dirt and gravel piles to the parking lot and spread it around? Jack also has a gasoline pump and some 2" pipes there for us to use. We need to put some fittings on the pump and test it to see how much flow we can get at 12'. Jack will then have the guy drill deeper if needed.

Rod sprayed more weed killer and fertilized the runway. East side of runway mowed down as well as all trees removed in that area. Well hole has been drilled, discussed about having it dug deeper for better constant flow. Mowing day I believe will be Tuesdays until the grass starts growing faster in spring, which may change to later in the week.

Events

Fun Fly - CRCF Sunday August 21 - [See flyer on web site](#)

Sponsor - When you purchase something from them let them know your are a CRCF member

Announcing our first Silver Level sponsorship

Creswell Tire Factory
